

BIG, BOLD, BEAUTIFUL

**TITAN
TRUSS**

Timber Technologies all **New Titan Truss** simply the perfect answer for entry door ways, dormers, picnic shelters and open cabin roof systems.

Titan Trusses have a **solid Glue-Lam** construction giving them incredible strength with clear spans up to 40' and the elegance of flat black gang plates. Choose from multiple species; SYP, SPF, Douglas Fir and Cedar.

TOUGHER THAN NAILS
